

# Muhammad Zeeshan Khan

---

Saidabad Baldia Town | Karachi, 75760 | +92 337 8568671 | mzeeshankhan0988@gmail.com

## Objective

I have a strong foundation in HTML5, CSS3, and JavaScript. I've also learned React, React Form, TypeScript, Tailwind CSS, Redux, Redux Tool kit & RTK Query, Context API, Advance Data Fetching, REST APIs, headless CMS (sanity), Framer Motion, Zustand and Next.js, building projects to apply my skills. While I lack formal experience, I'm eager to gain practical knowledge and expand into database management.

## Education

### **MATRIC, 2019-2021, SCHOLAR SCHOOL**

- Science – Group

### **INTERMEDIATE, 2021-2023, SCHOLAR COLLEGE**

- Science Pre-medical

## Courses

- **ENGLISH LANGUAGE | THE LEARNING ZONE | 2021 – 2022**
- **MERN STACK | SUFFAH COMPUTER EDUCATION | 2023 – 2024**

## Skills & Tech Stack

I am currently focused on mastering frontend development skills and building hands-on experience in this domain. However, I plan to expand my expertise to backend development and database management in the future. Once I have a solid foundation in these areas, I aim to explore DevOps and delve into the field of artificial intelligence to further enhance my skill set and broaden my career opportunities. I am at intermediate level in:

- HTML5 | CSS3
- JavaScript | TypeScript
- React | Next JS
- Framer Motion and Zustand
- Styling libraries like Tailwind CSS and shadcn UI
- Rest APIs
- State Management libraries like Redux & redux toolkit and Context API & useContext
